Skills Summary

I graduated in March of 2008 with a bachelors degree in Computer Science. My current employment I am a Sr. Software developer at Gapnote.com / Happeo.com. While at Happeo.com I was able to take a week long training on Ruby on Rails from EngineYard. And along with using Ruby on Rails I use jquery and css. I am looking for a company that employs developers who dream about coding at night and continually want to improve there knowledge.
